Description:

At one of the most attractive locations in the heart of Banovo Brdo, we offer you new apartments in Rajka Rasina street. The building with a total of nine apartments, of 30 - 100 m², is adapted to your needs, while respecting all the requirements of human habitation. Parking space of 162m² contains four open and six underground parking places.

The position and functionality of the surfaces are the results of several decades of experience of our designers. Quality and comfort at a great location came from our desire to offer something to the market in which every customer will meet their needs.
