Description:

King's Fountain complex is located on the slopes of Dedinje, in a peaceful part of the city, and the lush greenery surrounding the complex ensures additional tranquility and shelter from the city hustle. The complex spans an area of 10,528 square meters and includes 100 luxury apartments. The complex is divided into residential units that range from one-bedroom to four-bedroom apartments, and with each purchased apartment, you become the owner of a garage parking space.

During the construction of the King's Fountain complex, materials of the highest quality were used, and another benefit of buying an apartment within this complex is the possibility of moving into a fully furnished apartment. The apartments in the King's Fountain complex represent an ideal place to start a new life, as well as a promising option for a secure investment.
