Description:

BW Vizia is a residential building with unique sports and recreation facilities, near the new Linijski Park and the pedestrian bridge connecting Senjak with Belgrade on the Water.

It offers 124 apartments of various structures, from one to three bedrooms, with exceptional views of the museum square, the inner courtyard, the nearby hotel, the renovated BIGZ building and Linijski Park.

Infrastructure

BW Vizia is designed as a kind of sports hub, offering modern indoor and outdoor sports facilities. The modern gym on the ground floor of the adjacent BW Nova building is complemented by courtyard facilities such as outdoor exercise equipment, padel courts and a climbing wall. BW Vizia's landscaped inner courtyard is designed as a spacious park with large trees in the middle, providing shade and privacy from the surrounding buildings. The courtyard also offers common areas for socializing, relaxing and playing, as well as a full-size basketball court and a children's playground. This carefully designed space offers the perfect environment for an active and healthy lifestyle, allowing residents to enjoy a wide range of sports and recreational activities.
