Description:

We are proud to present the residential and business complex Panorama 26, which stands proudly on a unique location in block 26, on Mihajla Pupin Boulevard, and in the immediate vicinity of the most luxurious hotels, elite restaurants, spas and swimming pools, sports centers, promenades and the river.

Panorama 26 is the result of a carefully thought-out design, where every detail has been considered to create a living environment that exceeds your expectations.

Infrastructure

Panorama 26 is a modern residential and business complex that stands proudly on the unique location of block 26, in the very heart of New Belgrade. With an imposing dominance over the panorama of New Belgrade, the Palace of Serbia, the Danube, Ušće and Kalemegdan, this is the place where architectural excellence meets an incomparable view. What makes the Panorama project truly unique is the stunning view from every corner. Wake up to an inspiring sunrise over Kalemegdan or enjoy dinner with the sparkling night panorama of New Belgrade.
