Description:

BEL MONDO is a new residential and business project with a unique vision of a carefree, tucked away oasis in an urban environment. As a continuation of the WEST 65 complex, it represents the harmony of a dynamic community, full of diverse contents and a peaceful, pleasant environment that offers complete privacy. It is located in the central part of New Belgrade, with access to two key roads. This luxury residential-business condominium will become a symbol of a visually attractive architectural solution, satisfying the demands of users with an instant lifestyle. BEL MONDO is an inspiring concept in which the standard of sophisticated housing follows the aesthetics of contemporary form. Your refined corner that stands out significantly in the urban environment,

BEL MONDO is the world you dreamed of.
