Description:

The exclusive residential project of Inobačka Dedinje received a building permit, which is a significant step towards the realization of a modern, luxurious and functional residential complex in one of the most prestigious locations in the city. With a renowned and reliable investor, Inobačka Dedinje guarantees privacy with only 16 apartments, offering a unique combination of elegance and comfort. The project is characterized by top quality finishing works, innovative solutions and an exceptional location that provides a peaceful environment with all the advantages of urban life. In the immediate vicinity there are facilities adapted to family life, and the entire concept is designed to suit both families and modern professionals. CBS International Serbia is engaged as an exclusive sales representative.
