Description:

The complex of buildings at Mitrovdanska 27-27A offers you functionally designed apartments with maximally used space in an acceptable square footage, with proximity to all important facilities that make everyday life easier and simply better.

Infrastructure

At a new address in a new neighbourhood, with modern, new infrastructure. An ideal place for family life away from the hustle and bustle of the city, just 20 minutes from the city centre. The simply better complex "Mitrovdanska" represents a housing culture with a different vision, a combination of modern architecture and nature, which represents the modern ideal of all generations and lifestyles. This modern residential and commercial building is tucked away on a slight rise, across from the Stepa Stepanović settlement, near the super Vero market, at the bend in the immediate vicinity of the Mol pump in the Braće Jerković settlement. Due to its height and position, it is singled out as a unique environment suitable for family life. Expansive green landscape. Within the complex there are landscaped lawns, walkways, children's playgrounds equipped with new props. Whether it's entertainment or relaxation in pleasant surroundings, this complex offers something for everyone.
