Description:

REAL BELGRADE ADDRESS

On Dorćol, where Belgrade feels the most authentic, Adresa Residences is a modern residential and business project located in the heart of the historical, cultural and urban core of the city. A step away from the Danube, the quay and Linijski Park, and in the immediate vicinity of the city center, schools, kindergartens, shops and the most important points of the city, this is a location that combines everyday practicality and lifestyle with the character and spirit of old Belgrade.
