Description:

Elevate your quality of life to a higher level. The building is located on the very edge of Bežanijska Kosa, offering views of New Belgrade as well as the green areas of Bežanijska Kosa. The inner courtyard creates a cozy and private atmosphere, ideal for families and for unwinding after a dynamic day. Within a 700 m radius, all key amenities for comfortable living are available, including a kindergarten, two primary schools, and a market, making this location perfect for families and those who want everything within easy reach. Proximity to major transport routes ensures quick access to business centers, schools, kindergartens, and shopping malls. The combination of urban and natural surroundings provides a perfect balance between city life and the tranquility of nature.

Infrastructure
