Description:

MODERN RESIDENTIAL COMPLEX IN VOŽDOVAC

Located in an exclusive area in the heart of Voždovac, just moments away from the Faculty of Pharmacy and the future BIO4 Campus, the modern residential complex TOP RESIDENCE is taking shape.

The complex consists of eight contemporary buildings thoughtfully arranged in a row, creating a harmonious and functional environment designed for comfortable and high quality living.

With carefully designed architecture and high construction standards, TOP RESIDENCE represents the perfect blend of modern urban lifestyle and natural surroundings, offering residents peace, privacy, and long term investment value.

Residents will benefit from excellent connectivity to all parts of the city, close proximity to key educational and business centers, as well as a landscaped environment featuring green areas, walking paths, and modern infrastructure amenities.

Whether you are looking for a new home or a secure investment opportunity, TOP RESIDENCE offers a unique residential experience in one of Belgrade's most desirable locations.

Infrastructure

The complex is located in a peaceful environment, at the intersection of urban living and nature. The apartments are double oriented (east to west), while the modern architecture allows for an abundance of natural daylight.
