Description:

We are proud to create modern and well designed residential buildings that meet the needs and desires of clients with refined taste. The Polaris project represents our commitment to providing exceptional living spaces that combine aesthetics, functionality, and comfort. Our Polaris project offers a diverse selection of residential units. Each unit is designed with precision, incorporating the latest trends in architectural design and sustainable solutions. Our vision is to create a harmonious environment that fosters a sense of community, providing residents with a sanctuary they are proud to call home.

Infrastructure

One of the key advantages of living on Šabačka Street in the Zvezdara municipality is its strong connectivity to both the city center and wider urban areas. Residents have easy access to a range of amenities, including schools, universities, shops, restaurants, and cultural institutions, many of which are within walking distance. The location is well connected by public transport, enabling quick and convenient access to different parts of the city. This part of Zvezdara is also known for its dynamic social life. The neighborhood offers numerous cafés, bars, and restaurants catering to various tastes and preferences. Whether you are looking for a quiet place to enjoy a coffee or a more lively evening atmosphere, there are plenty of options to choose from.
